Revit Architecture Essentials Course - Letterkenny

Revit Architecture Essentials Course

Course Title: Revit Architecture Essentials

Purpose: To learn the essentials of Revit Architecture software

Certification: Autodesk certified (Autodesk produce AutoCAD and Revit)

Cost: €500 (Funding maybe available to the unemployed under TESSG(Technical Employment Support Grant). Contact your social welfare officer or FAS placement officer.)

Payment: Full payment to be collected first evening of course. Where funding is in place we will invoice after the course has finished.

Laptops and software: If trainees provide their own laptops 3 year educational versions of Revit 2014 will be provided. Please advise if you cannot provide your own laptop.

Location: Letterkenny – venue to be advised. If there are not sufficient numbers to do the course trainees can complete the course online. You will need broadband for this option.

Schedule and Duration: Six Thursday evenings starting (contact us for new dates). Trainees are expected to practice and complete tutorials during the six weeks. Technical support as required will be offered by internet or email between sessions.

Funding: Funding maybe available to the unemployed under TESSG(Technical Employment Support Grant). Contact your social welfare officer or FAS placement officer.
